

City of  
Jonesville

### **2015 LEAF COLLECTION**

Leaf collection will begin for all **City residents** the week of **October 5<sup>th</sup>**. The final pickup will take place the week of **November 16<sup>th</sup>**. We appreciate your help in following these guidelines so that we can provide this service to all residents.

- Leaves may be raked to the edge of the curb or shoulder of your street in piles, beginning the weekend prior to **October 5<sup>th</sup>**. Please be careful not to block storm water catch basins that can become blocked in the event of rain.
- Please separate brush and twigs from leaves, since they can cause damage to the leaf vacuum.
- The last leaf pickup for the season will take place on the week of **November 16<sup>th</sup>**. Please rake all leaves to the curb no later than 7:30 a.m. on Monday, November 16<sup>th</sup>.
- Leaf pickup is weather dependent. We appreciate your patience if we have to adjust the program to address changing weather conditions.

Weekly Yard Waste Collection will continue until October 31<sup>st</sup>. Please separate all yard waste, branches, twigs and other debris from leaves to avoid damage to the leaf vacuum. And please continue to follow all Yard Waste Collection guidelines, including bundling, barreling and bagging materials.

**Thank you for your help in following these guidelines.** Your cooperation assures that we can provide this program in a safe and efficient manner!

**Questions?** Please call City Hall at 849-2104.
