Re: Manager Report and Recommendations – March 12, 2024 DDA Meeting

**DDA Project Priorities:**

1. Klein Tool Building Redevelopment
2. Streetscape Reconstruction
3. South Parking Lot

**5. A. Financial Report**

**[Action]**

Attached is a revenue and expenditure report for the DDA through January 31<sup>st</sup>. The report shows revenue and expenditure activity for the month of January. It also illustrates the amount budgeted for each line item and the available balance in that line. Also attached is a report of the current cash balances in all accounts as of January 31<sup>st</sup>. I recommend a motion to accept the financial report. *Please refer to the attached revenue and expenditure report and cash balance report.*

**6. A. Façade Grant Request – 245 E. Chicago Street (Jilly Beans Too)**

**[Action]**

The application for a façade grant related to planned improvements to Jilly Beans Too at 245 E. Chicago Street is attached. The work would replace storm damaged glass on the front façade and replace it with new windows, sills, and frames, including new paint. Stoll Construction has estimated the work at \$19,622. New signage and lighting would be added, as well; estimates for that work are pending. Grant program guidelines allow a grant of 10% of the qualifying costs, up to \$2,500. I recommend a motion to approve the grant in that amount. *Please refer to the attached application and cost estimate.*

**6. B. City Tagline**

**[Discussion/Action]**

The City received many responses to the tagline contest, which are attached. This item is reserved for DDA discussion of the process to narrow and/or select a potential selection.

You will notice that we received an overwhelming response. In order to be respectful of everyone's time on Tuesday morning and to efficiently narrow the responses, please review and select your top 5 responses, ranked from 1 (most favorite) to 5 (least favorite). We will compare each member's list of 5 to try and arrive at a consensus. I've attached a list that you can print and write on, or feel free to send an email to me in advance with your list.

Should the DDA determine that one of these is its choice as presented, or with amendments, it is recommended that an action to recommend it to City Council be considered. If desired, the new tagline may be used in future marketing and branding materials. Contest rules would award \$50 in Jonesville Bucks to the submitter of the selected tagline. *Please refer to the attached contest rules and submitted taglines.*

**6. C. Downtown Streetscape and TAP Grant Update**

**[Discussion]**

This agenda item is reserved for an update regarding the streetscape design process, which is being managed by the Michigan Department of Transportation (MDOT) following the approval of the City Council resolution to proceed with the Road Diet project.

**8. A. Staff Updates**

**[Information]**

This item is reserved to address status updates on projects, and to address others that members may have questions about.

## Downtown Development Authority Tagline Contest

*“The City that Never Sleeps” - “What Happens in Vegas, Stays in Vegas” - “The Sweetest Place on Earth” - “Cleveland Rocks”*

Some towns can tell their whole story by a single sentence or phrase.  
If you were going to describe **Jonesville** in a few words, what phrase would **you** use???

The Downtown Development Authority (DDA) wants to know.  
And your winning entry could be used in promotional materials for the City.

So give us your tagline and contact information on reverse side.  
If your entry is selected, you'll win \$50 in Jonesville Bucks and we'll want to know where to send them!

---
