

## 2015 YARD WASTE COLLECTION

As a service to residents, yard waste will be collected during the week of April 6, the week of April 27, and weekly from **May 4<sup>th</sup>** through **October 31<sup>st</sup>**, weather permitting, according to the following procedures;

1. All materials for collection must be placed at the edge of the street no later than 7:30 a.m. of the day scheduled for collection and no sooner than the day before the scheduled collection.
2. Place all eligible materials in biodegradable paper bags, bundles or labeled barrels with a maximum weight of 50 pounds. Tree limbs and brush must be cut to lengths not exceeding **five feet and bundled, and 50 pounds in weight.**
3. No more than one pick-up truck load of materials may be set out for collection at any one address for each collection. Disposal of larger quantities at the City Dump may be permitted with prior approval by the Superintendent of Public Works.
4. Trees cut by a contractor are not eligible for collection. Depending on volume, the Superintendent of Public Works may authorize disposal of these materials at the City Dump.
5. Yard waste **eligible** for collection shall include:
 

Grass Clippings	Tree Limbs
Branches	Garden Clippings
Concrete	Dirt and stones

**Maximum Weight of 50 Pounds**
6. Materials **ineligible** for collection shall include:
 

Blacktop	Stumps	Plastic Bags
Bricks	Lumber	
Hazardous or Contaminated Materials		
7. Whole Christmas trees will be collected in January.

**Cooperation with these procedures help assure that we can continue to provide this service to our residents. Crews will be unable to remove materials that don't meet these standards. Thank you for your help!**
