COUNCIL CORNER

November, 2011

Today, I was once again reminded why I love living in a small town. While driving through the Village, I passed a man raking leaves in his front yard. I waved...he waved. I smiled...he smiled. Almost every day I feel thankful to live in Jonesville, for so many reasons. We have good roads and good schools. We have some of the finest people in our Police and Fire Departments. The Department of Public Works keeps our Village limits safe, clean, and well maintained. And I've been told by some who live outside our Village that we have some of the finest drinking water around. Realizing we have our share of problems, all things considered I feel very blessed to live in this town.

What I'm most thankful for are the people who live and work here. I'm thankful for the neighbors that live on my street, along with neighbors on the other side of town that I haven't had the opportunity to meet yet. I'm thankful for the business owners that have decided to make Jonesville their home. Together, we make up a very special community, and we should all be proud of our efforts.

I'd also like to thank those who work for us at the Village Hall. Take the time to stop by and say hello to Adam, Tim, Lenore or Cindy. They are truly a fine group of individuals who work hard to keep things running smoothly.

Having been sworn in last April as your latest councilperson, it is an honor and a privilege to serve you all. I was appointed to fill the vacant seat previously filled by Brenda Guyse who served the Village so graciously. I'm truly honored to serve the Village alongside the rest of those that make up the Village Council.

In closing, please feel free to contact me with any concerns you may have. I enjoy hearing your comments and questions and look forward to meeting you all.

Sincerely,

Tim Bowman
